Watch Now "We are Laurel Parks & Recreation"

This year, the City of Laurel Department of Parks & Recreation celebrates its' 60th Anniversary! Beginning in January of 1965, Judith Nigh was hired to determine the recreation and park needs of the community and to make recommendations for the development and implementation of a Parks and Recreation Department. With the passage of state enabling legislation in May 1965, the City adopted Ordinance Number 449 establishing the Laurel Department of Parks & Recreation.

Fast forward 60 years and today the Department of Parks & Recreation has grown in size to... 29 full-time employees, over 60 seasonal and auxiliary staff, 3 gymnasiums, 2 outdoor pools, 1 dog park, 2 community centers, 10 playgrounds, 15 parks, and the maintenance of over 280 acres of land. The Department proudly continues its original mission to establish, maintain and operate a comprehensive program for parks and recreation and to ensure the delivery of a variety of leisure services and facilities that enhance and enrich the quality of life for the citizens and residents of the City of Laurel.

This winter and throughout the year, join us in celebrating our 60th Anniversary-whether it's attending a holiday event, registering for a new program, or even taking a stroll through one of our parks. We thank our beloved past and present staff and look forward to serving our amazing Laurel Community for more years to come! Happy 60th Birthday Parks & Rec!
