

## OFFICE OF THE MAYOR: SPRING ARRIVES AND FUN FLOURISHES!

The City of Laurel will be jumping right into it this spring, so check out what we have planned for the upcoming months!

### City's Pilot Program - Speed Humps & Raised Crosswalks

City of Laurel's Department of Public Works has started a pilot program for three locations around the City, one on Irving Street, which has a crosswalk in the raised section, the second speed hump is located on Olive Branch and the third is located on Sandy Spring Road. We will be gathering feedback to see if they are working to slow cars down. Once complete, a policy will be established on speed humps and raised crosswalks. Please let us know what you think of them.

### Laurel's Farmers Market Returns

Happy to announce that the Laurel Farmers Market, 378 Main Street, will re-open for the season on May 11th from 3pm to 7pm! The Market will run every two weeks until September 28th. If you're a local farmer/artisan and would like to participate in the market, please contact [ecd@laurel.md.us](mailto:ecd@laurel.md.us).

### T. Howard Duckett Community Center - Stream Restoration Project Announcement

The project will treat the runoff from the adjacent roadways and ballfields that becomes concentrated causing significant erosion and the formation of an entrenched channel into the Rocky Gorge Reservoir. As water quality is of critical importance, especially for drinking water reservoirs, this project will help in treating the runoff into the reservoir by reducing sediments into the reservoir by 322 tons per year and restoring 56.7 of impervious acres towards the County's NPDES Permit. DoE will commence the construction phase in Fall 2023 and anticipates completing construction operations by February 2024. Landscaping will be completed in Spring 2024.

### City Hall in the Park

We are looking forward to getting back to the meetings in the Parks. The 2023 CITY HALL IN THE PARK will begin in April. All meetings start at 6:30 pm and go until 8:00 pm. Come and visit with the Mayor and members of this Senior Management Staff and let us know your concerns or issues.

The dates and locations are listed below.

#### Wednesday, April 26th Emancipation Community Park

#### Wednesday, May 24th Discovery Community Park

#### Wednesday, July 26th Overlook Community Park

#### Wednesday, August 23rd Greenview Drive Pool and Park

#### Wednesday, September 27th Centennial Community Park

Look forward to seeing you in the Park on April 26th!

### Community Clean-Up Kits

The Departments of Parks and Recreation and Economic and Community Development are working together to encourage environmentally minded citizens to CLEAN UP AND GREEN UP around the City. Individuals, families, or friends wishing to clean up litter in their own neighborhood or local park can contact the Department of Parks and Recreation at 301-725-7800 and request a COMMUNITY CLEAN UP KIT. Kits will contain supplies that you can use to sponsor your own clean up activity.

The Department will arrange for the collected debris to be picked up. Events can be one day or an ongoing effort. Reducing litter helps control the rodent population, promotes a safer and healthier habitat for wildlife and improves the quality of life in our community!

### Check Out Woodland Job Corps

The Woodland Job Corps Center in Laurel, MD, operated by Education and Training Resources, and teamed with MINACT, Inc., is an Equal Opportunity Employer actively seeking to recruit, hire and promote qualified applicants. Learn more about their job openings at <https://woodlandjcc.applicantpool.com/jobs>. For more information regarding their qualifications, job description, salary, etc. is available by contacting HR Manager Mrs. Ann Butler-Jackson at 301-362-4404.

Please note, only applicants who meet the minimum qualifications will be considered for interviews. Qualified applicants will not be discriminated against due to race, color, religion, sex, age, national origin, ancestry, citizenship, physical or mental disability, marital or veteran status, sexual orientation, GINA or other attributes protected by federal, state or local EEO laws. MINACT, INC., a federal contractor, desires priority referrals of veterans, and reserves the right to limit the interview pool based on review of requirements and number of applications submitted.

## LAUREL GOVERNMENT VOLUNTEER FAIR - APRIL 19TH

Learn what Volunteer Opportunities your local Government has to offer and attend our Volunteer Fair on April 19th, from 6 - 8pm at the Laurel Municipal Center, 8103 Sandy Spring Road!

Whether you want to sit on a Board or Commission, have some office skills one of our Departments could utilize or just need Community Service Hours, this is the Fair for you!

AND speaking of Community Service Hours, if you are still in need of some hours, then you'll DEFINITELY need to stop by because we are going to need YOUR help assembling Emergency Kits! Make sure to bring your Service Hours form so we can sign it!

Plus there will be raffle prizes of One-Day Passes to the Laurel Pool and Free Paddle Boat Rides! And refreshments will be available, along with some goodie bags!

# It's Easy Being Green!

CELEBRATE EARTH DAY IN APRIL!

**Seeds of Change: Connecting Laurel with its Native Plants - Saturday, April 22, 2023, 1pm to 3pm** – a community event held at our newly renovated Farmer's Market Lot (378 Main Street). Residents are invited to join our City of Laurel staff to learn about the importance of native plants, how to correctly plant your natives and hands-on experience by joining together to plant native plants at our Farmer's Market Lot. Come and be part of a lasting change to our Market Lot landscape. Light refreshments will be served and extra plants are available for volunteers to take home for their own gardens. Event is free, but registration is required. To register or get more information about the City's Green Living resources, visit [www.cityoflaurel.org/green](http://www.cityoflaurel.org/green).

#### Green Goals: Water Conservation

Water is the most important natural resource that living things need. But at the same time, it has also been misused and wasted. This month, and every month, be aware of how you use water and how you can help conserve it! Simple everyday activities we do without a second thought may contaminate our water sources or compromise the sustainability of our water usage. What can you do to help conserve water? Check your toilet for leaks; take shorter showers; install water-saving shower heads or flow restrictors; turn off the water while brushing your teeth and/or shaving; don't let the faucet run while you clean vegetables; keep a bottle of drinking water in the refrigerator so that you always have cool water to drink, if you wash dishes by hand, don't leave the water running for rinsing; and plant drought-resistant trees and plants.

#### Recycle Right!

Reduce! Reuse! Recycle! Repurpose! Not only can you recycle through the City's recycling program, but mark your calendars for the Public Works' spring Ecycling/Paper Shredding event coming Saturday, April 15, 2023, from 8:00am to Noon. Residents can drop off Entertainment Electronics, Paper for shredding, Styrofoam for recycling, and gently-used clothing and household items for repurposing through GreenDrop. This event is for City residents and businesses only. Official IDs with a city address must be presented to enter the drop off site. Visit [www.CityofLaurel.org](http://www.CityofLaurel.org) for more information.

**We Want to Hear from YOU!** Sign up for Green Living updates at [greenliving@laurel.md.us](mailto:greenliving@laurel.md.us).

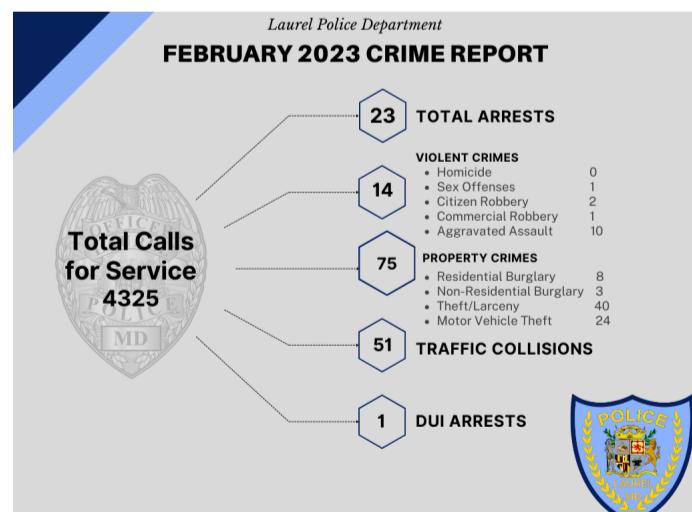

#### OFICINA DEL ALCALDE: LO QUE ESTA PASANDO EN LAUREL

¡La Ciudad de Laurel se lanzará directamente a esto esta primavera, así que vea lo que hemos planeado para los próximos meses! El Departamento de Obras Públicas de Laurel ha iniciado un programa piloto para reductores de velocidad en Irving Street, Olive Branch y Sandy Spring Road. ¡Háganos saber lo que piensas! ¡Feliz de anunciar que Laurel Farmers Market, 378 Main Street, volverá a abrir para la temporada el 11 de Mayo de 3:00pm a 7:00pm! Y la serie 2023 City Hall in the Park comenzará el 26 de Abril a las 6:30pm en Emancipation Park. ¡Con tantas cosas sucediendo, visite nuestro sitio web, [www.cityoflaurel.org](http://www.cityoflaurel.org), para ver todos los eventos que están sucediendo en Laurel!

## Laurel Office of Emergency Management: April is Flood Preparedness Month

As the weather shifts and winter makes room for spring, there will be the potential to see more rain move into the region. Now is the time to start preparing and planning for the threat of flooding. By definition, flooding is a temporary overflow of water onto land that is normally dry. Floods are the most common disaster in the United States and failing to be prepared can lead to injury or death.

Floods can come from rain, snow, storm surges and overflows of dams and other water systems. They can develop slowly or quickly and flash floods can come with no warning. When it floods, it can cause power outages, disrupt transportation and damage buildings.

How can you prepare for a flood? Start by signing up for our Emergency Alert Notifications at <https://www.cityoflaurel.org/em/preparedness/stay-informed>. Live in a flood zone? Purchase/renew a flood insurance policy. Homeowner's insurance policies do not cover flooding automatically, so check with your insurance company for a flooding rider or check with the National Flood Insurance Program to

see if you are eligible. Due to Laurel's participation in the Community Rating System, Laurel residents can receive a 15% discount! Make a plan for your family and be sure to include your pets. Make sure everyone knows what to do, where to go and what will be needed for at least three days. Clean out gutters and clear debris away from drains and if needed, have a battery-operated sump pump. Also important, keep important documents in waterproof containers.

Learn more about Flood Preparedness by visiting [www.Ready.gov!](http://www.Ready.gov/)
