## LAUREL HELPING HANDS

### Community Resources and Emergency Management (CREM)

#### Strengthening Families, Helping Youth Thrive.

Your Laurel Helping Hands counselors are here to help you deal with any emotional challenges that you or your family members may be facing. We provide services in-person and via telehealth, in English and Spanish.

So, whether your child is getting in trouble in school or at home, or is simply struggling to cope with life, Laurel Helping Hands can help you get a handle on the situation. We equip parents with the necessary skills to meet the developmental and mental health needs of their children, so that youth can maximize their potential at home, in school and in the community.

And if you need help to navigate the challenges of adult life or to successfully live with mental illness, our counselors work with adults to address various issues. Our goal is to help you and your family to live your best life possible.

#### We Provide

##### INDIVIDUAL & FAMILY COUNSELING

Our counselors work with children, teens, adults, and families on a wide variety of issues including parenting, family conflict, divorce/separation, relationship difficulties, anger management, anxiety, depression, grief and loss, personal growth etc.

**GROUP COUNSELING** – Our counseling and psycho-educational groups teach skills like impulse-control, anger management, parenting and communication.

**CRISIS INTERVENTION** – Sudden changes e.g., sudden death, can cause us to feel lost, even suicidal, and make it difficult for us to function in our lives. Our counselors can work with you to develop a short-term plan, and connect you with resources so you can get your life back on track.

**SUBSTANCE USE ASSESSMENT** – This program is a partnership with PGCPS to provide an alternative to expulsion for students who are in violation of school drug policy. Students are assessed for their level of substance use, the impact it is having on their life, and an exploration of their reasons for use. We provide recommendations and referrals for further treatment if necessary.

**INFORMATION AND REFERRAL SERVICES** – And when you need more than we can provide, we help you identify the best type of service for your needs and connect you to available resources.

**For more information** about our program or to request service **Email LHH@laurel.md.us**, **Call 240-294-1304** or **stop by the Laurel Armory at 422 Montgomery Street**. We have Spanish-speaking counselors. Services are available in-person and via Telehealth.

#### FEES

- Substance Use Assessments are \$15 per session. A 2-session minimum is required by PGCPS.
- Individual & Family Counseling - We accept CareFirst insurance and Medicaid. For those who do not have insurance, we offer a sliding scale to Prince George's County residents, that is based on household income and size.
